

## **VIKRAM GOPALAKRISHNAN**

Vikram, too, is Indian, born, bred and educated. After completing his under graduation in Mechanical Engineering and Masters in Management from the Indian Institute of Management in India, Vikram has enjoyed a decade and a half in Private Banking across various locations, largely in Asia and for the past 3 months, in Geneva.

His passions include family, music, travel, running and theatre. Vikram now looks forward to partnering with his wife and the Treasure team to help the cause and be part of a team that contributes in a significant way to children's education and development.
